## **Post-Graduate Certificate/Diploma of Teacher Professional Learning for Teachers working with Students with Special Educational Needs (Autism)**

### **Introduction**

The programme will aim to develop teachers' knowledge, understanding and skills in working with students with autism and, thereby, to contribute to the school's overall capacity in this area.

### **1. The Programme 2024/2025**

ATU St Angelas is offering a Post- Graduate Certificate/Diploma in Arts in Special Educational Needs (Autism) Teacher Professional Learning Programme in collaboration with the National Council for Special Education (NCSE) for teachers of students with Autism. In accordance with programmes being offered by the college, this programme is accredited by Atlantic Technological University (ATU) and will lead to an award of a Post-Graduate Certificate/Diploma in Arts in Special Educational Needs (Autism).

Up to 25 places will be available on the programme for the year 2024/2025.

### **2. Aim and Content**

The aim of the programme will be to develop teachers' knowledge, understanding and skills in working with autistic students and, thereby, to contribute to the school's overall capacity in this area.

Qualifications will be awarded by ATU to participants who successfully complete the programme. **Participants will be assessed on the basis of full attendance at the programme, successful completion of selected tasks and written assignments, in addition to their work in schools.**

Consideration will be given to applications for recognition for prior learning (RPL) under the College's RPL policies and procedures. Relevant NCSE courses in the learning and teaching of autistic students will be considered in this context.

Further details are available to applicants from ATU St Angelas College, Sligo on their website at [Postgraduate Dip in Arts/Cert in Special Educational Needs - Autism - St Angela's \(stangelas.ie\)](http://Postgraduate Dip in Arts/Cert in Special Educational Needs - Autism - St Angela's (stangelas.ie)) and the National Council for Special Education on their website at [www.ncse.ie](http://www.ncse.ie).

### 3. Duration and Organisation

This Post-Graduate Certificate is a professional development programme which must be completed in **one** academic year.

The Post-Graduate Diploma is a professional development programme which must be completed within a time-frame of **two** years.

On completion of the Post-Graduate Certificate in year one, candidates who wish to complete the Post-Graduate Diploma must do so in the following academic year.

The programme comprises four modules, as follows:

- **Postgraduate Certificate in Special Educational Needs - Autism**
  - **Module one (Core Module)** - Understanding Autism: Theoretical Perspectives and Implications for Practice

*And*

- **Module two** - Engaging Autistic Students: Assessment and Planning for Teaching and Learning

*Or*

- **Module three** - Autistic Students: Teaching Approaches
- **Postgraduate Diploma in Arts in Special Educational Needs – Autism**
  - **Module one** - Understanding Autism: Theoretical Perspectives and Implications for Practice
  - **Module two** - Engaging Autistic Students: Assessment and Planning for Teaching and Learning
  - **Module three** - Autistic Students: Teaching Approaches
  - **Module four** - Supporting Autistic Students with reference to Emotional Regulation and Promotion of Positive Behaviour

Completion of Modules 1 (Core) and 2 or 3, together with successful completion of the necessary course work and a practicum will attract a Post-Graduate Certificate in Special Educational Needs (Autism).

Completion of the additional two modules together with the necessary course work will attract a Post-Graduate Diploma in Arts in Special Educational Needs (Autism).

Participants will not necessarily be required to complete individual modules sequentially.

The programme will require from a minimum of eighteen days (Certificate) to thirty-seven days (Diploma) release from school over the two-year period.

Attendance on at least 5 Saturdays at a central venue will be a requirement for successful applicants.

Class visits from NCSE and ATU St Angelas personnel for the purposes of support provision and practicum assessment respectively are an essential component of the programme.

#### **4. Eligibility**

**Please note that all teachers must be registered in accordance with Section 31 of the Teaching Council Act, 2001. Please refer to the Teaching Council website [www.teachingcouncil.ie](http://www.teachingcouncil.ie) for further information.**

This programme is for registered teachers who hold a post currently funded by the Department of Education who are currently working with autistic students or will be working with autistic students for the duration of the Programme in recognised Primary schools including Special Schools and recognised Post-Primary Schools. **The programme is designed specifically to assist teachers in meeting the learning and teaching needs of students with autism.** Potential applicants must therefore have a teaching role in relation to autistic students.

**Candidates should note that evidence of having completed Teaching Council Garda vetting is required for participation in the course.**

##### **(a) Primary:**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter<sup>1</sup> from the Teaching Council, when submitting their application form (see footnote below). If the “Education Sector(s)” field is blank, teachers will be required to provide evidence that they have qualifications suitable to teach in either the mainstream primary sector or to teach students with Special Educational Needs in the primary sector.

---

<sup>1</sup> Confirmation of Registration letter is available to download from the Registered Teacher Login Facility on the Teaching Council website [www.teachingcouncil.ie](http://www.teachingcouncil.ie)

Applicants from Primary Schools should have successfully completed their probationary period.

**(b) Post-Primary**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter from the Teaching Council, when submitting their application form (see footnote below). If the “Education Sector(s)” field is blank, teachers will be required to provide evidence that they have qualifications suitable to teach in either the mainstream post-primary sector or to teach students with Special Educational Needs in the post-primary sector.

Applicants from Post-Primary Schools should have successfully completed their Induction and Post Qualification Employment (PQE).

**(c) Special Schools**

Teachers will be required to forward a copy of their Registration Certificate or Confirmation of Registration letter from the Teaching Council, when submitting their application form (see footnote below). If the “Education Sector(s)” field is blank teachers will be required to provide evidence that they have qualifications suitable to teach either in the mainstream primary or post-primary sectors or to teach students with Special Educational Needs the primary or post-primary sector or to teach in special school settings.

Applicants from Special Schools should have successfully completed their probationary period.

Teachers who are participating in this programme must continue to have a teaching role in relation to students with autism for the duration of the programme. It is also advised that school management should make every effort to ensure that autistic students continue to benefit from teachers’ knowledge and expertise in this area, through assigning the learning and teaching of autistic students to teachers who have successfully completed this programme. Collaborative practices, such as team-teaching, can also form a part of these arrangements.

**5. Applications and Selection**

Eligible teachers, nominated by their school authorities who wish to be considered for admission to the Programme, should apply using the Online Application Form which is available using the following link, at [Postgraduate Dip in Arts/Cert in Special Educational Needs - Autism - St Angela's \(stangelas.ie\)](https://stangelas.ie) Please read instructions for completing the online application carefully and ensure that all the required information/documentation is available before commencing the online application process.

Online applications must be received no later than **5<sup>th</sup> April 2024**

Normally, applications will be accepted from not more than one teacher per school who meets the requirements outlined in this Circular. Applicants for this programme will not be required to attend for interview.

All applications must be accompanied by a non-returnable administration fee of €25. Payment must be made via our online payments system at [www.stangelaspayments.com](http://www.stangelaspayments.com). See instructions below: Under Course Info section of the payment page please do the following:

- Enter “00000” in Student Number Field
- Under Payment Type choose “Other”
- Under Choose Course which the payment relates to select “Postgrad Education – Application Fees” from the dropdown menu
- Type in €25 into the amount which you wish to pay box.

Any queries relating to the application can be sent to [csenid.stangelas@atu.ie](mailto:csenid.stangelas@atu.ie)

## 6. Funding

As this programme is part-funded by the Special Education Section of the Department of Education through the NCSE, **applicants will be responsible for the payment of a fee of €300 per module. Successful applicants will receive instructions from ATU St Angelas regarding how to pay fees before the programme commences.**

## 7. Travel and Subsistence

Travel and subsistence will be provided for any of the face-to-face elements of the programme in accordance with Special Education Section rates.

## 8. Extra Personal Vacation

No extra personal vacation will be allowed in respect of attendance at the Programme.

## 9. Substitution

Substitution, which must be approved by the managerial authority of the school/ETB, will be allowed. The substitution must be deemed necessary to cover the approved periods of absence of the teacher from teaching duty for attendance at the course. Documentation from the NCSE/college specifying the absence details must be retained by the school.

## 10. Salary Arrangements

All teachers on release from their school under the terms of this Programme will continue to receive their salary in the usual way.

Please note that successful completion of this programme will not result in any entitlement to additional remuneration from the Department of Education.

### **11. Master's Programme**

Those who successfully complete the Post-Graduate Diploma in Arts in Special Educational Needs (Autism), and who satisfy the relevant requirements, are eligible to progress to an MA in Special Educational Needs (Autism) at ATU St Angelas. Further information on the MA in Special Educational Needs (Autism) Programme in St. Angela's College is available on the ATU St Angelas website, [St Angela's College - St Angela's \(stangelas.ie\)](http://stangelas.ie)
